TRACK MAP

SITE MAP & FACILITIES

CLERK'S NOTES

- To save time, make sure that your driver has their seatbelts and helmet chinstrap done up snug and secure BEFORE heading to pit exit. This will save you having to join the back of the queue.
- Do not arrive earlier than the stated arrival time. you will be sent elsewhere and ask to return at the stated time. Arriving early causes a significant risk on the road outside Goodwood.
- Our recovery vehicle will be driving through the paddock are very frequently, please stay alert of your surroundings at all times.
- Please only use your allocated paddock as per the paddock map.
- Pre event scrutineering will take place on Saturday 23rd May between: 14:30 - 16:00. If you wish the book into this you must email racing@greenpower.co.uk in advance.
- Only team members with an armband will be allowed on the pit wall. No one without an armband should be on the pit wall at any times during the sessions. Only team members with wristbands will be allowed in the pit lane. All other team members must spectate from their designated areas.
- Spectators will be directed to car park C where we kindly ask for a suggested donation of £5 per car

GENERAL INFORMATION

- Catering will be available on the day in the on site café. Although, we do advise you bring your own supply of water and snacks.
- You are responsible for your own waste. Please use on site bins or your own bins and leave nothing behind.
- Greenpower provide on-site medical staff who will be able to assist you with any first aid needs. Please do not hesitate to speak to them if you feel unwell or injured.
- You must respect our code of conduct and respect those around you. Greenpower has a zero tolerance policy towards any behaviour we deem inappropriate.
- Greenpower staff (wearing green high vis) and volunteers (wearing orange high vis) are there to help you compete in a fun and safe manner. Please listen to and follow any instructions given to you and your team.
- Race admin will be able to answer any queries on the day to their best of their knowledge. However, technical queries relating to regulations and design must be directed to our technical team outside of the event.
- To submit a race appeal or race complaint, your team leader must report this to race admin during the race. We will not accept any other form of appeal.
- Have fun!! and most importantly, stay safe.
