TAKE THE
TDI CHALLENGE

D&T Teachers – submit your students’ work to the Technology, Design and Innovation (TDI) Challenge.

Win £2000 for your school to spend on D&T equipment.

The MTA’s TDI Challenge exists to help teachers and lecturers to promote the great work of their D&T and Engineering students and to celebrate the creativity and innovation taking place inside the curriculum.

The TDI Challenge is open to anyone who has created an impressive D&T or Engineering project within school.

“It has been a great day and I have really enjoyed myself. It was a brilliant experience seeing a modern manufacturing facility like Mazak. This is a great first step for me in to a career in engineering.”

Halimah Ershad, Forest School,
2017 Winner, 17-19 category

Students aged 14-19 can enter as individuals or as part of a group.

Many students enter with their existing coursework projects, so it is not necessary to spend a lot of time creating a new project.

The TDI Challenge is free to enter; and students can win prizes including an iPad, GoPro, UE Boom Speaker, Drone plus many more!

For more information and to download an application form, please visit www.mta.org.uk/tdi
